Founded in 1991, the *De Soto Historical Society* was established to serve as a storehouse of knowledge about our community's rich history. The primary activities of the Society include:

- EDUCATION** We have a proud heritage to share. It is our goal to build awareness of the benefits of historic preservation to our community members and visitors through our publications, museum displays, and electronic media publications.
- PRESERVATION** Many of our old buildings and landmarks are historically significant. We are pleased to display these buildings representing our history.
- LEARNING** We accept donations of documents and photos related to the De Soto area. We share information on the preservation efforts of other historical groups in the county and state.

The *De Soto Historical Society* meets on the **third Tuesday** of each month at 7:00 PM at the De Soto Historical Society Museum, located in the De Soto Community Center, 400 Boyd St, rear entrance. Entertainment programs and business meetings are open to the public.

The Primary goal of the Historical Society is to maintain a History Museum and aid in preserving our history.
